

## THE ANTI-SALOON LEAGUE MEETING

One Thousand People Attended the Session.

### SUGGESTED CHANGES IN LAWS

Judge Mann Chairman of Committee Which Will Report Changes.

(Special to The Times-Dispatch.)  
LYNCHBURG, Va., Jan. 18.—The attendance upon the sessions of the second day of the Anti-Saloon League Convention today was larger by far than was expected, there being fully 1,000 visitors and delegates in attendance. There were more than a thousand persons present at the evening session.

The major portion of the work of the convention today was taken up in addresses, papers and discussions of almost every phase of the temperance question. The appointment of the usual committees was made at the morning session, and all of them will report to-morrow.

The paper of Field Secretary West, on "Legislation Needed in Virginia," was referred by the convention to a special committee of which Judge William H. Mann, author of the Mann bill and candidate for the nomination for Governor on the Democratic ticket, is chairman. This committee will, it is expected, report a number of proposed changes in the laws that will be in shape for the coming session of the General Assembly.

Thomas D. W. W. Smith, chancellor of the Randolph-Macon school system, spoke on the theme, "The Saloon a Menace to the Young Man." Rev. E. R. Folk, of Tennessee, a brother of Governor Folk of Missouri, spoke on "What We Have Done in Tennessee," and Rev. Dr. W. H. Alwell, of Danville, on "The Redemption of Danville."

The convention will adjourn with the night session to-morrow.

### ART GIFTS.

The University the Recipient of a Number of Valuable Donations

(Special to The Times-Dispatch.)  
CHARLOTTEVILLE, Va., Jan. 18.—In addition to the splendid gift of Lafayette, given by the French government, the University of Virginia has been the recipient recently of the following interesting gifts:

A life-size statue of James Monroe, by the Louisiana Purchase Exposition, through President Franklin D. Roosevelt, on one of the colonnades at the St. Louis Fair, and is a very speaking likeness. It will be bronzed and set up in the public hall.

A very handsome imported bronze bust of Cicero, with marble pedestal, by Dr. J. Ackerman Coles, of the University of Virginia, and a very valuable geological library of Professor Robert T. Hill, formerly State geologist of Texas, now of New York city.

A handsome oil portrait of Chapman Johnson, fourth rector of the University, by his grandnephew, through Mr. Armistead Gordon, of Staunton, Va. Mr. Johnson was a distinguished lawyer and publicist of his day in Virginia, and served his State, both in the Senate of her General Assembly, and in the famous Constitutional Convention of 1829. He succeeded the Hon. Joseph C. Cabell as rector, and his incumbency of this office was from 1834 to 1846.

### BULLET IN HIS BRAIN.

G. E. Eddins, Burdened With Ill Health, Takes His Life.

(Special to The Times-Dispatch.)  
CHARLOTTE, N. C., Jan. 18.—Mr. George E. Eddins, son of a once prominent family, took his own life in his room at the Piedmont Inn early this morning. Continued ill health inspired the act of self-destruction. There were fifteen guests in the hotel, but none heard the fatal shot.

The body was discovered shortly after 10 o'clock, but indications were so pronounced that the deed was committed several hours prior to that time. The unhappy man had shoved the barrel of a thirty-two calibre pistol into his right ear and pulled the trigger. Death must have ensued instantly. Eddins was several years ago married, but was unable to be out, but was continually in a wretched health and dependent upon relatives. He was thirty-three years old and an orphan.

Surviving him are several brothers and sisters, among them Mrs. W. F. Williams, of Portsmouth, Va.

### Another Unfortunate.

(Special to The Times-Dispatch.)  
WILMINGTON, N. C., Jan. 18.—T. H. Jones, a white man, having the appearance of being a tramp, was run over by a passenger train on the Atlantic Coast Line near this city last night and received injuries which caused his death two hours later. The stranger gave his name and said his home was in Ohio. He evidently sat down on the trestle to rest and fell asleep.

## CHARLES FORBES PLACED ON TRIAL

The Commonwealth Secures Continuance on Account of Absent Witnesses.

(Special to The Times-Dispatch.)  
FARMVILLE, Va., Jan. 18.—The case of the Commonwealth against Charles Forbes, charged with arson, and jointly indicted with P. C. Woodruff, who was last week acquitted by a Prince Edward jury, was called today for trial. The Commonwealth and defense both announced at the morning session of court that they were ready to proceed, but on reconvening after dinner one of the attorneys for the prosecution asked for a continuance, on account of the absence of material witnesses—two in number—without whom they would be unwilling to go into trial.

The case was continued to the third Monday in March, the date for the regular term of the Circuit Court. Bail was asked for the prisoner, who has been confined in jail since last May, and Judge Hundley said that he would consider the motion in vacation, after the attorneys have gone over the evidence with him that is expected to be adduced at the prisoner's trial.

All witnesses present today were recognized to appear here again in March.

### Danville Commercial Association

(Special to The Times-Dispatch.)  
DANVILLE, Va., Jan. 18.—The annual meeting of the Danville Commercial Association adjourned last night before the election of officers was reached on account of the lateness of the hour. The new board of directors met this afternoon and re-elected the old officers as follows:

President, A. W. Taylor; vice-president, J. Overton Boatwright; secretary-treasurer, Colonel Alexander Heiser, formerly of Baltimore. The association is in a flourishing condition.

### A Close Call.

(Special to The Times-Dispatch.)  
W. H. MASON, N. C. Jan. 18.—Mr. Charles D. Willson, traveling for the Hargrove Bleach Company, of Baltimore, narrowly escaped being killed yesterday afternoon while crossing the Atlantic Coast Line tracks on Nutt Street. He was knocked down by a car, and through pressure of mind, rolled off the track, or else he would have been run over. He was sent to the hospital with two ribs broken and many severe bruises all over the body. He is not thought that he is injured internally.

## New Druggets!

We've just received our first spring shipment of New Spring Druggets, in Tapestry, Wiltons and Body Brussels. They show new ideas in both colors and patterns. Some very particularly pretty patterns in small figures and what we might call neutral colors.

Also New Spring Velvet and Tapestry Hall Carpets. Also another lot of those

**\$9.00 Smyrna Druggets**

(9 feet wide by 12 feet long), that created such a furore during the past fall season.

**Also China Mattings.**

It looks like the more room we get the more we need, and through we added other story to our store last summer, we were overcrowded again. So we're going to continue to give 25 per cent. off on Cellonites, Morris Chairs, Music Cabinets, etc., and one-third off on Pictures for one more week.

There are lots of other odds and ends you might pick out of our stock. Come in and see.

## ASK PRESIDENT TO VISIT THEM

Joint Councils of Newport News Will Send Roosevelt Invitation.

### THE BATTLESHIP MINNESOTA

Launching to Take Place Some Time Next Month—Judge Tyler Revokes Liquor Licenses.

(Special to The Times-Dispatch.)  
NEWPORT NEWS, Va., Jan. 18.—A special joint session of the Common Council and Board of Aldermen was called today for Friday night for the purpose of considering the advisability of inviting President Roosevelt to visit this city during his southern tour, and to discuss means for carrying out the idea.

The battleship Minnesota will be launched some time next month, and it is probable that the President will be invited to come here at that time. Miss Helen Gould and party, who are stopping at the Chamberlin Hotel, came to this city this morning and visited the shipyard. The party will remain at Old Point until Friday, and then go to Norfolk for a stay of several days at the Monticello.

**FELL DOWN HATCHWAY.**  
Mike Mullin, a stowaway, employed by Green & Dillon, fell down a hatchway aboard the British steamship Powhatan, loading at Chesapeake and Ohio pier, No. 4, about midnight last night and broke a shoulder-blade. The man was also severely bruised about the body, and may have sustained internal injuries. He was removed to the hospital for treatment. Mullin lives in Norfolk, and he was moved to his home today.

Judge Tyler, of the Circuit Court, has revoked four more liquor licenses. H. J. Wales, Max Feistein, D. Telford and August Beckert are the latest saloonkeepers to close their doors. The Anti-Saloon League, of this city, is making a stir against the lawbreaking just across the lines in the county, and it looks as though there will be no saloons in the lower end of the county by the time the Circuit Court term ends.

### DIED IN A SALOON.

J. Nelson, a Scottish sailor, died on the floor in a core, Ball's Warehouse and the Moore woman are now in jail here. The woman was arrested in Norfolk and West was brought here following his arrest on the Eastern Shore of Virginia. Deputy United States Marshal H. W. Miller left for Baltimore to-night with West.

**Smallpox at University.**  
(Special to The Times-Dispatch.)  
CHARLOTTE, N. C., Jan. 18.—Mr. W. S. Adams, a student at the University of North Carolina, has smallpox. The disease is in mild form and there is little excitement about it. The disease will not interfere with the duties at the institution.

The patient has been rigidly quarantined and every student has been vaccinated.

### THOMPSON'S FUNERAL.

Young Man Drowned at Reservoir Lake Buried at Amherst.

(Special to The Times-Dispatch.)  
AMHERST, Va., Jan. 18.—The remains of R. Barton Thompson, son of Mr. George B. Thompson, of Amherst, who was drowned while skating on Reservoir Lake, in Richmond, Monday evening, were buried this afternoon at three o'clock and were immediately taken to the cemetery and interred. Mr. R. B. Thompson, of Amherst, and Mr. R. B. Thompson, of Amherst, accompanied the body. The pall-bearers were C. R. Harrison, Dr. Ed. Sandage, Brantley Cox, W. H. Kent, Lansdowne, and George E. Deane. The services at the grave were conducted by Rev. A. P. Gray, of the Episcopal Church, assisted by Rev. G. H. Ray, of the Presbyterian Church.

Barton Thompson was twenty-five years of age and for one of his age had seen a great deal of the world. He had been in the United States Marine Corps. He was quite a popular young man here and his tragic end was quite a shock to the town.

## SUSPECTS BROUGHT BEFORE MISS TURNER

She Declares That Three Under Arrest Are Not Guilty. Others to Come.

(Special to The Times-Dispatch.)  
LYNCHBURG, Va., Jan. 18.—Three white men, who were arrested as suspects in connection with the shooting of Miss Helen Turner, the Lexington lady, near Indian Rock, on last Saturday afternoon, were taken before the young woman today at the home of Mr. Perchell, where she is ill; but she declared neither was her assailant.

Five other men have been arrested, but Miss Turner was not able to see them today, but they will be taken before her to-morrow for identification. She was said to have no trouble in recognizing her assailant. She is doing nicely, and there seems to be no doubt but she will recover of her wound in a short time.

### HOME WEDDING.

Miss Shackelford Becomes the Bride of Mr. Quisenberry.

(Special to The Times-Dispatch.)  
HAMILTON, Va., Jan. 18.—A very pretty marriage was solemnized at the residence of Mr. and Mrs. Benjamin Shackelford, in Hampton, at nine o'clock this morning, when their beautiful daughter, Clara Estelle, became the wife of Henry Carroll Quisenberry, of Richmond, Va. The bride, who is a brunette, was very becomingly attired in a handsome traveling gown of green changeable silk, with hat and gloves to correspond. She was attended by Miss Carrie M. Quisenberry, sister of the groom, who also wore a green suit.

Mr. Reginald P. Shackelford, brother of the bride, attended Mr. Quisenberry. The groom is a descendant of the old Scotch family of Quisenberry, who settled in this country in Kentucky. He

has been for many years associated with the Chesapeake and Ohio Railroad, and recently employed on the James River Division.

Mr. and Mrs. Quisenberry left immediately on a bridal tour of the West. They stopped in Richmond for a few hours and were tendered a wedding breakfast at the home of the groom's parents.

After February first they will be at home at No. 100 East Clay Street, Richmond.

### LADY GRANTED DIVORCE.

Bill of Complaint Specified Many Instances of Cruelty.

(Special to The Times-Dispatch.)  
DANVILLE, Va., Jan. 18.—Mrs. Mary Green Jones, a prominent society woman, now living with her parents in South Boston, has been granted a divorce in the Corporation Court against her husband, E. J. Jones. The suit was pending in the court for several months.

In her bill of complaint, Mrs. Jones alleged that her husband treated her with cruelty and had in his hands a water pistol and on other occasions struck her with his open hands and choked her. Mrs. Jones claims to have been obliged to live in fear of her husband for several months.

### STUART IN NORFOLK.

The New Marshal Confers With Patronage Referees.

(Special to The Times-Dispatch.)  
NORFOLK, Va., Jan. 18.—United States Marshal J. B. Stuart was here today from Norfolk, Va., and was in conference with Harry K. Wolcott, who is to be one of the three Second District Republican Federal patronage referees after March 4th.

Mr. Stuart is in Norfolk to attend Federal Court and to open his office here, the official residence of the United States Marshal for Eastern Virginia having up to this time been at Richmond. Mr. Stuart is in Norfolk for a month, and will be retained in his present position until next summer.

It is believed that Deputy West, through the influence of H. K. Wolcott and others, will be retained in his present position, while opinion seems to be that the new marshal may appoint some Newport News man to succeed Deputy Miller a month hence. There is, of course, nothing official in this matter, and all that can be said is more speculation on the part of Republican politicians.

### EXTRADITION.

United States Prisoners Transferred to Other Courts for Trial.

(Special to The Times-Dispatch.)  
NORFOLK, Va., Jan. 18.—In the United States Court today, Victoria Moore, colored, indicted in North Carolina, upon the charge of opening a letter not her own, was ordered extradited to Raleigh for trial before Judge Purnell, and Walter West, indicted in North Carolina, for assault, was ordered extradited to that State for trial before Federal Judge Morrison at Baltimore.

Deputy United States Marshal H. W. Miller left for Baltimore to-night with West.

### OFFENSIVE CATARRH

I suffered for a long time with a bad case of Catarrh, and took a great deal of medicine without any benefit. I had a continual headache, my cheeks had grown purple, my nose was always stopped up, my breath had a sickening and disgusting odor, and I coughed incessantly. I heard of your S. S. and wrote you. I commenced to use it, and after taking several bottles I was cured and have never since had the slightest symptom of the disease. MISS MARY L. STORM, Cor. 7th & Felix Sts., St. Joseph, Mo.

Wheeling, W. Va., May 29, 1903. I had Nasal Catarrh for years for which I used S. S. S. with very gratifying results. I tried local applications for some time, and getting no permanent relief I came to the conclusion that the seat of the trouble was in the blood. Knowing S. S. S. to be a good blood medicine, I began its use, and after using it for some time while it did away entirely with the offensive mucus in the nostrils, and I did not have to hawk and spit, especially in the morning, to dislodge the catarrhal matter. 1627 South St. FRED H. The filthy secretions and foul mucus that are continually dropping down the throat, and their way into the stomach and are absorbed into the blood. Catarrh then becomes constitutional, and the only way to get rid of it is through the blood. Write us if you have Catarrh, and our physicians will advise you without charge.

The Rev. Geo. Cooper says I have tried many other waters, but none were so beneficial. Dr. T. H. Griffin, of Philadelphia, says my hands it effects have been marvelous. Dr. O. C. Johnson, of Washington, says I have prescribed it in a great number of indigestion, kidney, and bladder troubles, and it has not disappointed either myself or patients in a single instance. Hill Camp, the Petersburg Grays and the Uniform Rank, Knights of Pythias, will participate. The parade, preceded by the police, and accompanied by the Petersburg Band, and the A. P. A silver tea will be given to-morrow afternoon by the Daughters of the Confederacy at the residence of Mrs. James W. Claiborne, and to-morrow night the A. P. Hill Camp will give a banquet, at which short war talks will be given by members of the camp.

### CAPTAIN ROGERS SOLID.

General Sittling has returned from Washington, where Congressman Sigmund, Captain Asa Rogers and himself had very satisfactory interviews with the President and the Secretary of the Treasury in the interest of the reappointment of Captain Rogers as collector.

General Bolling says that no promises of any kind were made by either the President or the Secretary, but that both interviews were very satisfactory. Tom Booker, a negro, recently arrested here, was yesterday sentenced by Judge West, at Prince George Courthouse, to one year for housebreaking and stealing several articles, which he afterwards tried to pawn in this city. Booker was taken before a magistrate, who sent him to the grand jury by whom he was indicted. He then waived the right of trial by jury and asked Judge West to hear the testimony and pass judgment. All the proceedings in the trial occupied less than two hours.

### CAUGHT IN RICHMOND.

John Robinson, a young Petersburg negro, stole a watch here Monday and the same afternoon was arrested, in Richmond, before the owner knew of the theft. Six months in jail was the mayor's sentence this morning.

Robinson delivered some goods at the residence of W. W. Bryan in this city, about half-past 1 o'clock on Monday, when he took the watch, and went to Richmond, where he tried to pawn it the next day. He was taken to the police station by saying that his name was W. W. Bryan, and that he lived in Petersburg. Robinson was detained at the police station until the arrival of Detective Tomlinson, who took the negro under his care, and yesterday delivered him to Captain Ragland, of the Petersburg force.

The funeral of Mrs. Richard Ferguson, who died yesterday afternoon at the Virginia Hospital, in Richmond, will take place here to-morrow afternoon at the Market Street Methodist Episcopal Church. Mrs. Ferguson was a Miss Taylor, of Chesterfield county. After the death of her first husband, the Rev. George N. Guy, of the Virginia Conference, who lived in Petersburg. Her marriage to the Rev. Mr. Ferguson took place in November last.

(Special to The Times-Dispatch.)  
WINCHESTER, Va., Jan. 18.—A guard from the Virginia penitentiary left Berryville this morning for Richmond with Joseph H. Copenhaver, who is to serve twelve years at hard labor. Copenhaver was a wealthy farmer and while in a drunken frizz, shot his wife last April. The Supreme Court of Appeals recently refused a writ of error in his case. It is not believed Copenhaver will prove very long in a few days for Ulnah, where his chief food, was cut off after arrest.
